

兔抗 LMO4 多克隆抗体

中文名称：兔抗 LMO4 多克隆抗体

英文名称：Anti-LMO4 rabbit polyclonal antibody

相关类别：一抗

储 存：冷冻（-20℃）

宿 主：Rabbit

抗 原：LMO4

反应种属：Human, Mouse

标记物：Unconjugate

克隆类型：rabbit polyclonal

技术规格

Background:	This gene encodes a cysteine-rich protein that contains two LIM domains but lacks a DNA-binding homeodomain. The encoded protein may play a role as a transcriptional regulator or as an oncogene.
Applications:	ELISA, IHC
Name of antibody:	LMO4
Immunogen:	Fusion protein of human LMO4
Full name:	LIM domain only 4
SwissProt:	P61968
ELISA Recommended dilution:	2000-5000
IHC positive control:	Human esophagus cancer
IHC Recommend dilution:	20-100
